

Create a poster for MS research

Make a MS diagnosis poster and be part of global research this World MS Day

**My MS
Diagnosis**

Ana | Brazil

**GETTING MY
DIAGNOSIS TOOK**

7-12 months

I WAS DIAGNOSED

in 2021

MY FIRST SYMPTOMS WERE

Fatigue

Numbness or tingling

Vision problems

**THE BIGGEST BARRIER TO
GETTING MY DIAGNOSIS WAS**

**Low awareness of MS
amongst health
professionals**

WorldMSday
